

# Stanton St Quintin Neighbourhood Plan Survey

A Neighbourhood Plan is being prepared for the Parish of Stanton St Quintin; it is sponsored by the Parish Council and led by the Neighbourhood Plan Steering Group; a group of volunteers with a range of interests who are leading the process.

Thank you for agreeing to complete the survey. It should only take a few minutes and will provide us with invaluable information in planning for the future of your area. The survey applies to all areas of Stanton St Quintin Parish, and it would be helpful if you could add information specific to the place you live.

This survey is one of a number of opportunities for you to become involved with or contribute to the project. There is more information at the end of the survey.

The information you provide is only for the use of the Stanton St Quintin Neighbourhood Plan and is anonymous. Should you wish to make yourself known to us, then please contact [mark@lemongazelle.co.uk](mailto:mark@lemongazelle.co.uk) and we will be happy to talk to you.
